

LBS Scholarship Test 2017-18

Summary Result Sheet

Please note:

- Three questions in Class X test had printing errors and were not considered in calculating the percentage marks of students. Thus, their percentage has been calculated out of 47 questions.
- Since no student could clear the cut off of 85% (for classes 8th to 10th) or 90% (for classes 4th to 7th), no cash prize or freeship will be awarded this year.
