Circular for classes I to IV

Date: April 11, 2022

Dear Parents,

A well-planned comprehensive curriculum makes learning easier and enjoyable. We, at LBS Jalandhar, are making an effort to offer students ample avenues of learning and enjoyment beyond curriculum during school hours. Thus, from this session onwards all the students from Class I onwards will be participating in two categories of activities which will be as follows:

- Activity 1 - Indoor and Outdoor games: There will be three periods allotted to the same during the week. The number of students that can opt for a particular game will be limited. Thus, we may have to take a trial in case a huge number of students opt for a particular game.
- Activity 2 – Extra Curricular Activities: These activities will be allotted two periods every week. A few activities may come at additional charges which has been mentioned on the next page along with the list will be carried out by a professional team which will be invited from outside. Parents are under no compulsion to choose the same.

Kindly note that once students sign up for an activity, they cannot change the same during a term except in case of medical emergencies. Students may need to carry a few things for certain activities. Thus, please make your choice such the equipment/things can be provided by you.

We will be circulating the Google forms where you can select the activities that your child will be participating in by Wednesday. The last day to fill the same is April 13, 2022. Kindly keep your ward in loop while making the choices.

Hope all the parents can make appropriate choices for their wards.

Regards

Principal

La Blossoms School
